**Item 1:** With the quorum complete, the meeting was called to order.

**Item 2:** The agenda of the meeting was discussed in a detailed and organized manner as follows:

**1. Fixing the date for Temple construction:**

As the approved drawings are in place, all members unanimously agreed that the technical committee should initiate the necessary formalities to commence the construction of the temple. Sh. Shibana Sultan suggested the auspicious mahurat of 25th September to begin the digging at the temple site. The President and all members wholeheartedly approved this proposal and further recommended conducting a formal Bhumi Pujan ceremony also on the same day.

**2. Expediting fundraising efforts with utmost urgency, on a war footing pace:**

The President earnestly appealed to all members to actively participate in collecting funds. He emphasized that the executive committee members should go door-to-door on weekends and approach the general public, appealing for donations towards the temple's construction.

### **3. Taking appropriate measures against members who have tarnished the reputation of KKS :\***

The committee members concurred that appropriate actions against the concerned members will be taken in due course. However, they highlighted the priority of securing a favorable decision from DR to facilitate the earliest possible Annual General Meeting (AGM).

4. Addressing the matter of SA, given that it is currently July and the deadline for filing the latest returns of 2022-23 falls at the end of August:

The appointment of Mr. Manish, CA, received unanimous approval from all members. The President assured that the process of filing returns will be promptly initiated with the assistance of the Treasurer.
