

Community Awakening Minutes of Meeting held on 24 th December 2023

As you are all aware that KKS had decided to hold its Annual AGM on 24 th December 23, the date was decided after three to four previous attempts of holding AGM earlier. However these all AGM's meeting attempts were not possible because of repeated complaints/petitions filed by Susheel Bhat & Company in the office of District Registrar, Gurugram. Since now District Registrar had given a written decision in our favour, so KKS governing body had decided to hold AGM, on 24/12/2023, but unfortunately Sh Susheel Bhat once again filed a complaint in the office of State Registrar Haryana, who has passed an order to hold on the AGM of KKS as on now, till further hearing. As all the preparations were done and advance payment of the venue was already done by Dr Anil Vaishnavi, President, KKS, it gave an opportunity to hold a general get together/awareness meeting with community members regarding the progress of KKS activities & also about these miscreants who have been derailing the KKS activities now for more than one year. So the governing body of KKS decided to hold the High Tea programme for community members along with to make them aware about the recent happenings in KKS.

The awareness meeting started at said time of 3 pm, with good participation of Biradhari members.

The undersigned welcomed the guests and requested President Dr Anil Vaishnavi to address the present gathering with recent happenings & Progress of KKS to biradari members.

President requested the biradari to sign a memorandum regarding undesirable actions of former VP Mr Susheel bhat which affect the working of KKS and spread misinformation amongst the community biradari members. The memorandum was read before the present members and later signed by all the present members in the meeting. The contents of the memorandum were circulated in the meeting. The main actions of Susheel Bhat are as under

- 1) Failure to return Receipt Book No: 24 of KKS, entrusted to him during his tenure, to the previous treasurer, deviating from documented records. This raises concerns about possible misappropriation of funds from this book.
- 2) Neglect in reconciling cash amounts from 44 life members during the interim period from March 2021 to December 4, 2021. Despite repeated reminders via email last year, he has remained unresponsive, deflecting responsibility to the prior Executive body/ GS of 2018-21 verbally only. No written acknowledgment has been received from him.
- 3) Non-submission of the HUDA receipt totaling approximately 1.65 lakhs for KKS land registration, funds collected from life members. Furthermore, there is a lack of documentation regarding the amounts collected from life members at that time, with no records provided to the current body.
- 4) Despite serving as Vice President and an EB member for six years over two terms, he openly criticizes the current Executive body's tenure, resorting to complaints and petitions at the DR office, disrupting the holding of AGM and impeding the progress on the temple project's construction.
- 5) There are credible reports alleging that he receives monthly remunerations from unknown sources for engaging in disruptive activities that sow discord within the present KKS.

In the ongoing discussion, Sh Sanjay Sapru, wanted to start actions against other previous office bearers too against the various irregularities done during their tenure. He pointed out that diversion of KKS funds was done by holding KPL & now the same members are utilising the KPL name without KKS banner & permission.

6) Sh Chaman Lal Gassi alleged that there is a spreading rumour insinuating collusion between the current team led by Dr. Vaishnavi and BJP leader Sh Jawahar Yadav. In response, Sh H.L. Kher addressed Mr. Gassi's concerns and elucidated the purpose behind the meeting with Sh Jawahar Yadav. Sh Kher apprised the entire assembly of the objectives, highlighting Sh Jawahar Yadav's contributions to various initiatives such as land zoning, temple drawing approvals, and his commitment to donating 11 lakhs for temple construction. Recognizing these efforts, it was deemed proper to express gratitude to the OSD to CM, Mr. Jawahar Yadav. Additionally, Sh Kher urged Sh Chaman Lal Gassi to lend support to the temple construction endeavor. Furthermore, Sh Kher appealed to all esteemed senior members of the community to come forward and assist the KKS executive committee in realizing the noble goal of constructing the temple and heritage center. The rumours circulating are mere mischief perpetrated by purported troublemakers and individuals opposed to KKS. Sh Gassi expressed a desire to publicize temple drawings, which was confirmed by the President, stating that they have already been made available on the KKS website.

7) All the members present in the meeting were of the opinion that membership of Susheel Bhat must be suspended and a FIR must be filed against him. Sh M K Raina pleaded to give a chance to Mr Sushil Bhat, if he withdraws the complaint with DR and clarifies the above irregularities. However

Sh Rajeshwar Dhar supported the stand taken by KKS life members present in the meeting against Susheel bhat and advised to go ahead as per the bylaws of KKS.

Sh M J Raina supported the KKS members and advised that the executive committee should take proper action against Sushil Bhat.

8) Sh Brij Mohan said that Mr Rajender Wanchoo has also done anti organisation activities and suitable action should also be initiated against him too. All members present supported the point of Sh Brij Mohan. It was decided to file a complaint against Mr Rajendra Wanchoo too, in the Palam vihar police station for not handing over the KKS ledger books, receipt books, cheque books & all the old documents handed over to him by previous treasurer.

The meeting ended by my vote of thanks to all the present life members with a request to join for a HighTea.

Warm Regards

Sh Dhruv Thusoo
